This naturally occurring color results from the rich source of algae in the lake, which is the main source of food for the thousands of flamingos (three species of flamingos which may be found here) and other water birds found on the lake. Laguna Colorada is also the single largest nesting site in the world for the rare James's flamingo.

Time permitting, we may visit the small but interesting boiling pools of sulphur and mud at Sol de Manana and Laguna Verde.

Each group is limited to 16 participants. Small groups are an important ingredient in adventure travel. They allow for more interaction and more personalized service throughout the itinerary.

All accommodations throughout; all meals, starting with dinner on day 1 and finishing with breakfast on departure day (i.e. the last day of the ElderTreks tour); bottled drinking water throughout the trip; all internal transportation; airport transfers on day 1 and departure day (i.e. the last day of the ElderTreks tour); all day trips and entrance fees as outlined in the itinerary; tips for hotels (porterage), national guide, bus driver, restaurants and spot guides; services of a trip leader.

4. ARE THESE “EDUCATIONAL” TOURS?

Yes, in the broadest sense of the word, “educational”. We visit museums, National Parks and Reserves and have talks and discussions on many aspects of history, culture and nature. But this is only a portion of the educational experience. We believe that it is equally educational to meet local people on a non-commercial basis, visit their homes and even try to learn a few words in the native language. Sometimes the most “educational” moments are spent sipping a cold drink in a street market.

5. HOW DO WE TRAVEL DURING THE TOUR?

We travel by minivan or minibus and jeeps; fly between Buenos Aires/San Juan and Calama/Santiago. We take a ferry between Buenos Aires/Colonia and back to Buenos Aires.

6. WHAT ARE OUR ACCOMMODATIONS LIKE?

We always stay in good accommodations — both hotels and lodges, with private facilities.

7. WHAT ABOUT THE WEATHER?

Weather can always be unpredictable, but in general, based on the areas we visit and the departure dates, the weather should be warm and dry for most of your trip. Occasional rain is also possible. At higher elevations, evenings and nights can be cold.

8. WHEN IS PAYMENT DUE?

A non-refundable deposit of \$500 USD (plus insurance if you require it) is due at time of booking and will reserve your place on the tour. Payment of the full land cost is due 120 days before departure. Cancellation charges are applicable and are outlined in the “Terms and Conditions” section of our brochure.

9. IS MEDICAL INSURANCE REQUIRED?

Insurance coverage is not included in the cost of your trip. Please note that medical insurance is not required for this adventure but is recommended. ElderTreks offers comprehensive travel insurance and we are happy to provide you with a quote if you call our office. If you are purchasing insurance elsewhere, please ensure you provide the details to ElderTreks as soon as possible.

**Please note those travelers with pre-existing medical conditions must take out travel insurance at the time of deposit*

10. WHAT SHOULD I TAKE ON THE TOUR?

There is a detailed “What to Take” list in our Trip Kit, which we will send to you after you have booked the trip.

11. WHAT MEALS ARE INCLUDED?

All meals during the itinerary are included, starting with dinner on day 1, and finishing with breakfast on departure day. We eat a variety of local foods prepared in a wide range of settings. In many cases, we simply order a number of dishes and share, allowing you to sample new foods and decide what you enjoy best.
