EXOTIC ADVENTURES
FOR TRAVELERS 50 PLUS**

Central Japan is a region of tall mountain ranges and fast-flowing rivers. It wasn't until recently that roads reached the more remote villages, and today many remain remarkably well-preserved, and evocative of centuries past.

Our journey takes us through Japanese history, from modern Tokyo, towards Kyoto, Japan's capital for 400 years and the repository of much of the country's cultural heritage. We end in Osaka, a vibrant city known for its rich food culture.

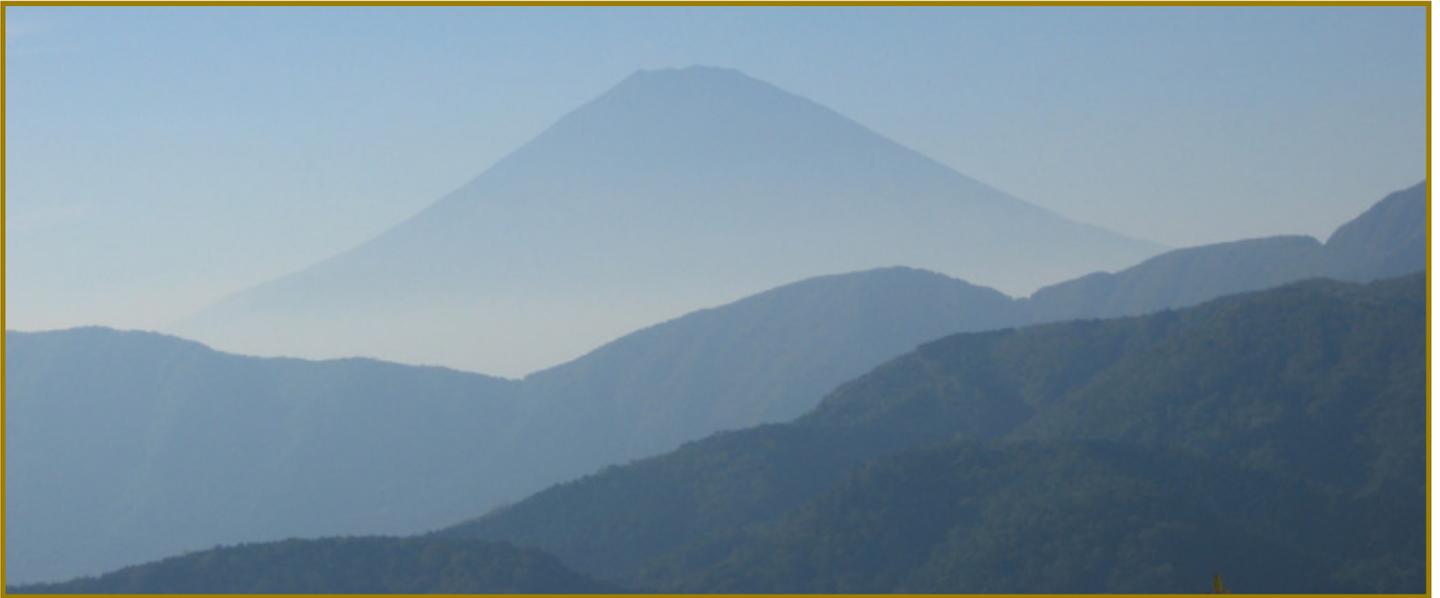

From Tokyo we head first to Fuji Hakone National Park, gateway to Mt Fuji. We visit Yudanaka Onsen hot spring where the famous 'snow monkeys' come to enjoy the natural hot spring baths, just like humans. In feudal times people travelling from Kyoto to Tokyo would use the Nakasendo Way – the road through the central mountains – one of a network of ancient highways. We will visit one of the best preserved sections in the Kiso valley, where the lovely villages of Tsumago and Magome have been immaculately restored.

We then continue on to Takayama with its delightfully historic Sanmachi-suji district, and lively morning markets. Our travels bring us to the UNESCO World Heritage Site of Shirakawago, before continuing on to Kanazawa, a vibrant city that retains its traditional charm in the form of gardens, samurai districts, and old teahouses.

We continue on to Kyoto and Nara – the cultural heartlands of Japan and World Heritage Sites. We travel by bullet train once again to the modern city of Hiroshima, to learn about the city and its both tragic and triumphant history in the modern age.

We return to Osaka to visit the city before we enjoy the special opportunity to stay at a shukubo, or Buddhist pilgrim's lodgings, and enjoy an up-close experience of life in a Buddhist temple and discover the ancient capitals of Japan before a tour of modern Osaka.

DAY 1 • ARRIVE IN TOKYO, WELCOME DINNER

Arrive at Tokyo Airport and transfer to your tour hotel in central Tokyo. This evening we will have a welcome dinner at a local restaurant.

Overnight in Tokyo.

DAY 2 • SIGHTSEEING OF TOKYO

We begin the day at Hama-Rikyu Gardens, a beautifully landscaped strolling garden that once served as the duck hunting grounds of a powerful feudal lord. After enjoying the peaceful scenery, we walk to Hinode Pier and board a boat for a relaxing cruise along the Sumida River to Asakusa. In Asakusa, we visit Sensoji Temple, Tokyo's oldest and most famous Buddhist temple, and soak in the traditional atmosphere of the surrounding streets. From there, we take the subway to Ueno, where we explore the Tokyo National Museum. The museum offers a rich overview of Japanese arts and culture, showcasing everything from calligraphy and kimonos to samurai swords and Buddhist sculpture.

Overnight in Tokyo.

DAY 3 • EXPLORING THE HAKONE AREA AND MT. FUJI

We will enjoy a day in Hakone, visiting the Checkpoint Museum. If the workshop is open, we may also be able to see a demonstration of traditional Japanese yosegi or traditional Japanese parquetry. We'll walk a section of the 'sugi-namiki', a trail lined with Japanese cedar trees that once formed part of the old Tokaido highway, or 'East Sea Road.' We travel by ropeway and cable car over the peaks of the Mt. Fuji area, in hopes of catching this notoriously shy icon of Japan. We will arrive at our hotel in the late afternoon and have dinner.

Overnight in Hakone.

DAY 4 • YUDANAKA HOT SPRING AND SNOW MONKEYS OF JIGOKUDANI

Today we travel by coach to Yudanaka Onsen, a hot spring village famous for its 'snow monkeys'. We then stay in a Japanese ryokan, known for its onsen (a Japanese hot spring, bathing facilities and inn).

Overnight in Yudanaka Onsen.

DAY 5 • MATSUMOTO CASTLE & NARAI POST TOWN

These large wooden houses have steep thatched roofs designed to withstand heavy snow, and the term gassho-zukuri refers to the shape of praying hands formed by the roofs. After spending time exploring this beautiful village, we continue our journey toward Kanazawa. Along the way, we stop at a local sake brewery, where we learn about the traditional brewing process and have the opportunity to

taste a variety of locally made sake. We then continue on to Kanazawa, where we stay this evening

QUESTIONS & ANSWERS

1. HOW BIG ARE THE GROUPS?

Each group is limited to 16 participants. Small groups are an important ingredient in adventure travel. They allow for more interaction and more personalized service throughout the itinerary.

2. WHAT IS INCLUDED IN THE TOUR PRICE?

All accommodations throughout; all meals, starting with dinner on day 1 and finishing with breakfast on departure day (i.e. the last day of the ElderTreks tour); bottled drinking water throughout the trip; all internal transportation; airport transfers on day 1 and departure day (i.e. the last day of the ElderTreks tour); all day trips and entrance fees as outlined in the itinerary; tips for hotels (portage), national guide, and bus driver, restaurants and spot guides; services of a trip leader.

3. WHAT IS NOT INCLUDED IN THE TOUR PRICE?

International flights, tips to ElderTreks tour leader, alcoholic drinks, visas and travel insurance.

4. ARE THESE “EDUCATIONAL” TOURS?

Yes, in the broadest sense of the word, “educational”. We visit many temples and historic sites, and have talks and discussions on the region’s history, culture and politics, but this is only one element of what we do. We believe that it is equally educational to get to meet new people on a non-commercial basis, visit their homes and even try to learn a few words in the native language. Sometimes the most “educational” moments are spent walking down a country road.

5. HOW DO WE TRAVEL DURING THE TOUR?

All land transportation is included in the land price of the trip. We travel by trains (bullet trains and local), highway bus, local bus and sometimes taxi. This trip involves a lot of walking to and around large train stations, often carrying a day pack containing overnight clothes on luggage forwarding days (approx 4 times). This is considered a walking tour.

6. WHAT ARE OUR ACCOMMODATIONS LIKE?

We stay in 3 types of accommodation on this tour. Modern western style hotels with private bathrooms are used in larger cities. Ryokan (or Minshuku) which are traditional Japanese-style inns. They may be in modern concrete or older wooden buildings, but the rooms are always in the Japanese style with tatami (straw) matting and futons laid out in the evening. Some Ryokan have en-suite bathrooms,

though older buildings generally offer shared facilities. Smaller inns offer domestic-scale bathing tubs used privately in turn by guests; larger inns offer communal spa-style baths, segregated by gender. They are the classic Japanese experience, although because of their small size, the group may be divided into 2 Ryokan for 2 nights. At Mount Koya, we will stay in Shukubo which are lodgings in Buddhist temples originally meant for pilgrims but now open to anyone. Rooms are similar to Ryokan or Minshuku, though without en-suite facilities. It is a wonderful experience to stay in a Shukubo and there is the opportunity to join the early morning religious service provided by Buddhist monks.

7. WHAT ABOUT THE WEATHER?

For September/October and April trips the weather is pleasant and not too hot, but it will be cool in the mountains. Average highs from around 18°C-25°C (60’s°F-70’s°F) and average lows at night in the 8°C-12°C range (upper 40’s°F-50’s°F).

8. WHEN IS PAYMENT DUE?

A non-refundable deposit of \$500 USD (plus insurance if you require it) is due at time of booking and will reserve your place on the tour. Payment of the full land cost is due 120 days before departure. Cancellation charges are applicable and are outlined in the “Terms and Conditions” section of our brochure.

9. IS MEDICAL INSURANCE REQUIRED?

Insurance coverage is not included in the cost of your trip. Please note that medical insurance is not required for this adventure but is recommended. ElderTreks offers comprehensive travel insurance and we are happy to provide you with a quote if you call our office. If you are purchasing insurance elsewhere, please ensure you provide the details to ElderTreks as soon as possible.

**Please note those travelers with pre-existing medical conditions must take out travel insurance at the time of deposit*

10. WHAT SHOULD I TAKE ON THE TOUR?

There is a detailed “What to Take” list in our Trip Kit, which we will send to you once you have booked the trip.

Please note that during our stay at the guesthouses, our luggage will be forwarded to the next major hotel and will not come with us to the guesthouse. Therefore you must bring a medium sized backpack to carry your essential overnight items during these nights. We will try to obtain lockers for your backpacks during the day at train stations, however you should be prepared to carry your belongings on your back in case lockers are not available. This will be

the arrangement 6 times during the tour, twice for 2 nights, 4 times for 1 night.

11. WHAT MEALS ARE INCLUDED?

All meals are included, starting with dinner on day 1, and finishing with breakfast on departure day. We eat a variety of local foods prepared in a wide range of settings.

Traditional ryokans (inns) and minshuku (family-run guesthouses) typically serve multi-course, Japanese-style meals that reflect local and seasonal ingredients. These meals are beautifully presented and can differ significantly from Western-style meals. Further information is provided in the pre-departure trip kit.

12. CAN YOU ARRANGE MY FLIGHTS?

We would be happy to take care of your air arrangements. ElderTreks has a full air department and we offer highly competitive airfares. Whether you simply want an air quote, or you would like to make an air reservation when booking your tour, just give us a call and we'll work out a routing for you.
