DAY 3 PRETORIA CITY SITES, MISTY MOUNTAIN, SOUTH AFRICAN NATURAL HERITAGE SITE, TO MPUMALANGA

We will return to De Wildt Cheetah Center this morning where we enjoy a special treat - viewing cheetahs running full speed. Three cheetahs will each chase a small decoy designed by the sanctuary. The cheetahs accelerate and run in excess of 100 kilometers per hour. Afterwards, we make our way to Pretoria to enjoy the city sites before our journey through some of the most stunning landscapes in South Africa. We will enjoy lunch enroute to Mpumalanga and our final stop at a 280 hectare South African Natural Heritage Site, situated on the spectacular Long Tom Pass, Mpumalanga. Perched at an altitude of 1700 meters above sea level, Misty Mountain is uniquely set in mountainous countryside with majestic views across the escarpment and into the Lowveld. Later, we will enjoy a walk to witness the changing colors in this beautiful region and hopefully catch a beautiful sunset.

DAY 4 SAFARI CAMP - EVENING GAME DRIVE/SUNDOWNER

Early in the morning we can observe a beautiful sunrise right in front of our hotel if we are up early. After breakfast, we journey towards the Manyeleti Game Reserve, our base to the world famous Kruger National Park. On the Panorama Route, we travel to Bourke's Luck Potholes and the majestic Blyde River Canyon, the third largest canyon in the world. Enjoy the excitement of a sundowner in the wild after our sunset game drive on a private reserve. Dinner will be a delicious braai in a boma, under a canopy of African starlight.

Overnight at a safari camp.

Please note: Manyeleti Game Reserve is a private game reserve within 'Greater Kruger Park' area. 'Greater Kruger Park' consists of private game reserves on the western side and Kruger National Park on the eastern side. World-famous Kruger National Park is open to everyone with several large safari camps or villages designed for school groups, families and tourists. The abundance of wildlife is noticeably less around the large camps or villages in Kruger National Park. The private game reserves are typically less crowded and more exclusive. During your stay in 'Greater Kruger Park', you will be staying at Shalati Safari Camp for both nights but

you will have safari experiences in both a private reserve (option of bush walks in the Manyeleti Game Reserve) and also a full day excursion in Kruger National Park, allowing you to explore more remote parts of Kruger National Park. Where one stays and how one plans their safari(s) in 'Greater Kruger Park' can vary greatly and will play a large part in the safari you experience.

DAY 5 KRUGER NATIONAL PARK - SAFARI

We get up before sunrise to search for the "Big Five" in the famous Kruger National Park. We set off after an early breakfast for a full day safari with a picnic lunch in the park. Make sure your camera is fully charged as we won't be returning until dusk. Keep your eyes open for elephant, lion, cheetah, rhino, buffalo, giraffe and other magnificent wildlife roaming South Africa's most famous game park.

After an exciting day on safari, we return to our lodge with time to relax. Later, we will enjoy a sundowner before our dinner, once again under the beautiful African stars.

Overnight at Shalati Safari Camp.

Today, we travel into the Kingdom of Swaziland. Lunch will be enroute. Your guide, who will hand the women in your party traditional Swazi cloths to wrap around their waists, greets us at Mlilwane's main gate. The Inkhosikati has a vibrant, energetic and infectious manner and not only talks us through how the huts and traditional items are made, but also teaches us the Siswati words for them.

All accommodations throughout; all meals, starting with dinner on day 1 and finishing with breakfast on departure day (i.e. the last day of the ElderTreks tour); bottled drinking water throughout the trip; all internal transportation; airport transfers on day 1 and departure day (i.e. the last day of the ElderTreks tour); all day trips and entrance fees as outlined in the itinerary; tips for hotels (portage), national guide, bus driver, restaurants and spot guides; services of a trip leader.

4. ARE THESE “EDUCATIONAL” TOURS?

Yes, in the broadest sense of the word, “educational”. We visit museums, National Parks and Reserves and have talks and discussions on many aspects of history, culture and nature. But this is only a portion of the educational experience. We believe that it is equally educational to meet local people on a non-commercial basis, visit their homes and even try to learn a few words in the native language. Sometimes the most “educational” moments are spent sipping a cold drink in a street market.

5. HOW DO WE TRAVEL DURING THE TOUR?

All local transport is included in the land price of the trip. We travel by mini-van, safari vehicles, ferries, boat and on foot.

6. WHAT ARE OUR ACCOMMODATIONS LIKE?

We always stay in good accommodations — hotels, lodges and safari camps have a private bath or shower.

7. WHAT ABOUT THE WEATHER?

We are visiting all three countries during their spring and fall seasons. This adventure covers a great deal of ground, therefore the weather varies greatly. In general, expect sunny days and cool nights in South Africa and The Kingdom of Lesotho and a warmer tropical climate in The Kingdom of Swaziland. Temperature highs range from 69°F to 95°F (20°C - 35°C) during the day during Feb/March with lows from 59°F to 80°F (15°C -

27°C). During October the highs range from 69°F to 78 °F (20°C - 26°C) and the lows range from 50°F to 74°F (10°C - 23°C).

8. WHEN IS PAYMENT DUE?

A non-refundable deposit of \$500 USD (plus insurance if you require it) is due at time of booking and will reserve your place on the tour. Payment of the full land cost is due 120 days before departure. Cancellation charges are applicable and are outlined in the “Terms and Conditions” section of our brochure.

9. IS MEDICAL INSURANCE REQUIRED?

Insurance coverage is not included in the cost of your trip. Please note that medical insurance is not required for this adventure but is recommended. ElderTreks offers comprehensive travel insurance and we are happy to provide you with a quote if you call our office. If you are purchasing insurance elsewhere, please ensure you provide the details to ElderTreks as soon as possible.

11. WHAT MEALS ARE INCLUDED?

All meals during the itinerary are included, starting with dinner on day 1, and finishing with breakfast on departure day. We eat a variety of local and international foods prepared in a wide range of settings. In many cases, we simply order a number of dishes and share, allowing you to sample new foods and decide what you enjoy best.

12. CAN YOU ARRANGE MY FLIGHTS?

We would be happy to take care of your air arrangements. ElderTreks offers personalized flight itineraries — not group flights. Stop over enroute, come in a few days early, or extend your stay. Call us for a customized itinerary.

13. WHAT IF I WOULD LIKE MORE INFORMATION?

If you have any further questions about the trip, please do not hesitate to contact our office for additional information. A Trip Kit containing further details on the destination will be sent to you once you have booked the trip.
