Each group is limited to 16 participants. Small groups are an important ingredient in adventure travel. They allow for more interaction and more personalized service throughout the itinerary.

2. WHAT IS INCLUDED IN THE TOUR PRICE?
All accommodations throughout; all meals, starting with dinner on day 1 and finishing with breakfast on departure day (i.e. the last day of the ElderTreks tour); bottled drinking water throughout the trip; all internal transportation; airport transfers on day 1 and departure day (i.e. the last day of the ElderTreks tour); all day trips and entrance fees as outlined in the itinerary; tips for hotels (porterage), national guide, bus driver, restaurants and spot guides; services of a trip leader.

3. WHAT IS NOT INCLUDED IN THE TOUR PRICE?

4. ARE THESE “EDUCATIONAL” TOURS?
Yes, in the broadest sense of the word, “educational”. We visit museums and ancient ruins and have talks and discussions on many aspects of history, culture and nature. But this is only a portion of the educational experience. We believe that it is equally educational to meet local people on a non-commercial basis, visit their homes and even try to learn a few words in the native language. Sometimes the most “educational” moments are spent wandering around a morning market.

5. HOW DO WE TRAVEL DURING THE TOUR?
All local transportation is included in the land price of the trip. We travel by private vehicle, bicycle taxis, planes (4 domestic flights), traditional overnight boat on the Irrawaddy river and, of course, by foot.

6. WHAT ARE OUR ACCOMMODATIONS LIKE?
We always stay in good accommodations — both hotels and lodges, where rooms have a private bath or shower. Please note that in more isolated areas, such as Kyaing Tong, the accommodation is basic. We spend three days on the R/V Pandaw 1947 (our comfortable boat) where each room has private bath facilities.

7. WHAT ABOUT THE WEATHER?
We travel to Myanmar/Myanmar during the dry season: November – March. The temperatures during this period are comfortably lower than the hot season and nights can even be cool. In November – February, the temperature ranges from 60°F (15°C) – 90°F (32°C) Evening temperatures at the Shan Plateau can drop into 40°F (5°C). In the dry season, occasional rains known as “mango showers” bring temporary relief when the temperatures rise.

8. WHEN IS PAYMENT DUE?
A non-refundable deposit of $500 USD (plus insurance if you require it) is due at time of booking and will reserve your place on the adventure. Payment of the full land cost is due 120 days before departure. Cancellation charges are applicable and are outlined in the “Terms and Conditions” section of our brochure.

9. IS MEDICAL INSURANCE REQUIRED?
Insurance coverage is not included in the cost of your trip. Please note that medical insurance is not required for this adventure but is recommended. ElderTreks offers comprehensive travel insurance and we are happy to provide you with a quote if you call our office. If you are purchasing insurance elsewhere, please ensure you provide the details to ElderTreks as soon as possible. *Please note those travelers with pre-existing medical conditions must take out travel insurance at the time of deposit

10. WHAT SHOULD I TAKE ON THE TOUR?
There is a detailed “What to Take” list in our Trip Kit which we will send to you after receiving your booking deposit for the trip.

11. WHAT MEALS ARE INCLUDED?
All meals during the itinerary are included, starting with dinner on day 1, and finishing with breakfast on departure day. We eat a variety of local foods prepared in a wide range of settings. In many cases, we simply order a number of dishes and share, allowing you to sample new foods and decide what you enjoy best.

12. CAN YOU ARRANGE MY FLIGHTS?
We would be happy to take care of your air arrangements. ElderTreks offers personalized flight itineraries — not group flights. Stop over enroute, come in a few days early, or extend your stay. Call us for a customized itinerary.
